Nervous Women

**Their Sufferings Are Usually
Due to Uterine Disorders
Perhaps Unsuspected**

A MEDICINE THAT CURES

Can we dispute the well-known fact that American women are nervous?

How often do we hear the expression, "I am so nervous, it seems as if I should fly!" or, "Don't speak to

MRS. J. J. J. annoy you and make you irritable; you can't sleep, you are unable to quietly and calmly perform your daily tasks or care for your children.

The relation of the nerves and generative organs in women is so close that the most trifling disturbance of one produces nervous debility, the blues, sleeplessness and nervous irritability in the other. The cause of all this is the condition of the organs which makes her a woman. Fits of depression or restlessness and irritability. Spirits easily affected, so that one day she is laughing and the next minute weeps. Pain in the ovaries and between the shoulders. Loss of voice; voice husky and hoarse. Headaches at the least provocation. All this points to nervous prostration.

Nothing will relieve this distressing condition in a few months of prostration and suffering so surely as Lydia E. Pinkham's Vegetable Compound.

"I cannot express the wonderful relief I have experienced in taking Lydia E. Pinkham's Vegetable Compound. I suffered for a long time with nervous prostration, headache, loss of appetite. I could not sleep and would walk the floor almost every night.

"I had three doctors and got no better, and life was a burden. I was advised to try the Compound and I did so. In a few days it has worked wonders for me. I feel like a new woman. My health is all gone and my friends say I look ten years younger."

"I will not the volumes of letters from women made strong by Lydia E. Pinkham's Vegetable Compound convince you of its value. I can only say that I cannot wish to remain sick and weak and discouraged, exhausted each day, and that you can be as easily cured as other women."

FACE LIKE RAW BEEF
Burning Up With a Terrible Itching Eczema.
SPEEDILY CURED BY CUTICUZA

"Cuticura cured me of a terrible eczema from which I had suffered many years and pain for eight years, being unable to obtain any help from the best doctors. My scalp was covered with scabs and my face was like a piece of raw beef, my eyebrows and lashes were falling out, and I felt as if I was burning up from the terrible itching and pain. Cuticura gave me relief the very first day, and made a complete cure in a short time. My head and face are now clear and healthy." Signed, Miss Mary M. Fay, 75 West Main St.,

Sour Stomach

"I feel nervous and feel like a quack. I have been a sufferer from dyspepsia, and my stomach has been so bad that I cannot eat anything but rice and other things, but could not get relief any for a short time. I remember, however, to try your stomach and to keep the bowels in good condition. They are now better."
